

ELT UPGRADE Webinar Series

Reading Upgrade Special

Part 1 – **Skilling up for Reading Success:** *Critical (but often neglected) practices in the reading classroom*

Part 2 – **Approaching Extensive Reading:** *Boosting motivation to read through a practical framework for success*

Join us for a **double webinar** special with hosts **Dr. Scott Miles** and **Jake Whiddon** and explore how to help **young adult** learners and **adult** learners **develop reading skills** and motivate them to **truly engage in reading**.

Date: 7th December, 2016

Time: 12:00-14:00 Bangkok/ Ho Cho Minh

13:00-15:00 Beijing/Taipei

14:00-16:00 Tokyo/ Seoul

Designed to help you **develop your students' essential reading skills**, this webinar will discuss the **key practices and activities** that can have the **largest impact on developing reading skills** and examine **ways to motivate students to read for enjoyment** and **benefit from the wonders of extensive reading**.

Dr. Scott Miles, program **head of ESL Department** at Dixie State University, **author and series editor** of the Essential Reading Second Edition and **board member of the Extensive Reading Foundation**.

Jake Whiddon, regional teacher trainer with Macmillan Education, has over 13 years of ELT experience in Asia and holds a Trinity DipTESOL and International Diploma in Language Teaching Management from the University of Queensland, Australia.
